PROFESSIONAL EXPERIENCE

Project Manager | Plus One Up — Cairo, Egypt

Jan 2024 – May 2026

- Delivered 20+ digital projects — corporate websites, dashboards, branding, digital marketing, and e-commerce — across healthcare, hospitality, retail, and corporate sectors.
- Managed up to 3 concurrent projects, coordinating Developers, UI/UX Designers, QA, and Marketing teams.
- Led discovery and requirements-gathering sessions to define scope and align technical goals with client expectations.
- Partnered with development teams on estimation, sprint planning, and architecture mapping; tracked milestones and risks.
- Directed deployment planning, client handover, and post-launch support for key accounts including MME, Smile Egypt, Scrub Hub, Almakam, Supenv, and Great Idea.

Digital Marketing Executive | Daniela Resort — Cairo, Egypt

May 2023 – Dec 2023

- Optimized the resort's website and booking journey, driving a 15% increase in direct online reservations.
- Managed digital content, pricing, and distribution channels to ensure brand consistency; resolved Booking.com sync issues via new B2B partnerships.

Branch Manager | Raslan Group (Laboratory) — Giza, Egypt

Mar 2021 – Apr 2023

- Managed daily branch operations, supervising a team of 12+, while controlling budgeting, resourcing, and inventory to reduce operational costs.

Digital Marketing Specialist | Raslan Group — Giza, Egypt

Dec 2019 – Feb 2021

- Executed multi-channel marketing content calendars to grow brand equity and patient engagement, aligned with corporate brand guidelines.

Web Designer | Swams / UK.Pro Solutions — Cairo, Egypt

Mar 2014 – Nov 2016

- Designed responsive, cross-browser commercial websites, translating client and enterprise requirements into UI/UX wireframes.

EDUCATION

Bachelor of Commerce (B.Com.) — Cairo University (2011 – 2017)
