PROFESSIONAL EXPERIENCE

Project Manager

Jan 2024 – May 2026

Plus One Up • Cairo, Egypt

- Successfully delivered more than 20 digital projects, including corporate websites, complex internal dashboards, branding initiatives, digital marketing campaigns, and e-commerce solutions across multiple industries.
- Managed up to three concurrent projects simultaneously while maintaining delivery quality and ensuring strict stakeholder alignment.
- Coordinated multidisciplinary, cross-functional teams consisting of Software Developers, UI/UX Designers, QA Engineers, Graphic/Motion Designers, Content Creators, Media Buyers, and Marketing Specialists.
- Conducted comprehensive discovery and requirements-gathering sessions to define scope, align technical goals, and manage client expectations.
- Worked closely with technical development teams during estimation discussions, sprint planning, and architecture mapping.
- Monitored progress, tracked milestones, and proactively identified project risks utilizing the company's internal project management system.
- Led deployment planning, dashboard onboarding walkthroughs, client handover sessions, and post-launch technical support.
- Facilitated structured alignment meetings with clear agendas to maximize decision-making efficiency and reduce communication gaps between stakeholders and technical teams.

SELECTED PROJECTS DELIVERED:

MME – Corporate Website

Led project discovery sessions, managed estimation and delivery planning, and coordinated continuous communication between client stakeholders, Account Management, and technical development teams through successful deployment.

Keywords: Stakeholder Management, Project Planning, Estimation, Deployment

Smile Egypt – Website & Dashboard

Facilitated intensive requirements gathering sessions, coordinated end-to-end UI/UX, Development, and QA tracks, and managed dashboard deployment along with detailed client adoption walkthroughs.

Keywords: Requirements Gathering, Dashboard Delivery, Client Handover, Team Coordination

Scrub Hub – Website & Dashboard

Managed cross-team execution across design, development, and QA. Coordinated agile feedback cycles and oversaw website launch, dashboard onboarding, and post-launch technical assistance.

Keywords: Delivery Management, Stakeholder Communication, Post-launch Support

Almakam – E-commerce Platform & Dashboard

Coordinated project activities from scope analysis to final production deployment. Partnered closely with developers and designers to ensure e-commerce dashboard aligned with client operations.

Keywords: E-commerce Delivery, Milestone Tracking, Planning, Stakeholder Communication

Supenv – Corporate Website

Analyzed the client's business domain post-discovery to improve requirement clarity. Coordinated interactive design revision cycles after stakeholder feedback while maintaining velocity and mitigating schedule risks.

Keywords: Business Analysis, Requirements Analysis, Risk Mitigation, Client Management

Great Idea – Branding & Social Media

Organized multi-team workflows for marketing and branding deliverables. Organized structured, agenda-driven alignment meetings to secure client sign-offs within agreed timelines.

Keywords: Branding Projects, Meeting Facilitation, Team Coordination

Digital Marketing Executive

May 2023 – Dec 2023

Daniela Resort • Cairo, Egypt

- Optimized the resort's official website and booking journey, contributing to a 15% increase in direct online reservations.
- Managed digital content, room data, pricing structures, and online distribution channels to guarantee complete brand consistency.
- Resolved critical Booking.com channel synchronization disruptions by establishing alternative B2B booking partnerships.

Branch Manager

Mar 2021 – Apr 2023

Raslan Group (Laboratory) • Giza, Egypt

- Directly managed daily laboratory branch operations, supervising and training a high-performing team of over 12 employees.
- Controlled branch budgeting, resource allocation, and inventory management, successfully reducing unnecessary operational expenses.
- Maintained strict compliance with healthcare operational standards while increasing client acquisition and satisfaction.

Digital Marketing Specialist

Dec 2019 – Feb 2021

Raslan Group • Giza, Egypt

- Formulated and executed multi-channel digital marketing content calendars to increase brand equity and patient engagement.
- Collaborated with design teams to distribute promotional assets fully aligned with global corporate brand guidelines.

Web Designer

Feb 2015 – Nov 2016

Swams • Cairo, Egypt

- Designed highly responsive commercial websites with a strong focus on user journeys, accessibility, and modern UI/UX principles.

- Partnered with engineering and product marketing teams to translate enterprise requirements into technical design wireframes.

Web Designer

Mar 2014 – Jan 2015

UK.Pro Solutions • Cairo, Egypt

- Produced responsive visual web architectures tailored to diverse corporate clients, ensuring full cross-browser optimization.

EDUCATION

Bachelor of Commerce (B.Com.) — Cairo University (2011 – 2017)
